

# So Whodunnit?

**So who did commit the robbery? Was it Silk Shadow's archnemesis The Phantom Hex? The license plate surely points us in that direction. Was it another of Skullzton 's villains? Was it an ordinary citizen? Now it is your turn. Write the ending to The Robbery in Skullzton. Be creative. Maybe you can write a math story problem to figure out whodunnit. Enjoy!**

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
